

# Test Unit 4: Covalent Bonding

- Format: short answer and multiple choice
- Content:
  - Formulas and naming
  - Types of bonding
  - Lewis structures and VSEPR shapes
  - Formal charge, resonance, bond length/strength, bond energy, hybridization, dative covalent bonds

**Pretest  
Packet!**

**Periodic Table and 5x8 Notecard  
allowed on all parts of the test!**
